

Next Week in Year 1

Week Commencing: Monday 27th June 2022

Literacy	We will be continuing our book, 'Daisy Doodles' by Michelle Robinson. The children will be creating their own characters and settings for the story, using alliteration, adjectives and trying some similes to improve their writing.
Phonics and Spelling	This week, we will be continuing to work in our phonics groups and refreshing our sound knowledge from last week. The children will be applying their phonics and reading skills, reading red 'tricky' words and recognising pseudo (nonsense) words as well. They will also be reading multisyllabic words and breaking them up to aid in reading.
Maths	We will be spending a week looking at 'Money'. The children will be able to familiarise themselves with the different types of coins and notes that we use, as well as having the chance to buy things using money from the class shop.
Challenge Time	The children will be creating their smoothies in DT next week. They will be practicing their skills in advance of Sports Day in P.E. and acting as Isambard Kingdom Brunel in history.
Homework	Please find the homework at the bottom of this sheet. Homework is due in on 29.6.22. Please take a picture or video of your child's homework and upload it onto Tapestry.
Messages	Could you please ensure that your child is bringing a coat to school each day. Please can you ensure that any reading and book bag books sent home are returned on a Friday. Please can all children bring their P.E kits in ready for Monday. If you have any junk modelling items (e.g. plastic bottles, cardboard boxes, washed-out yoghurt pots, etc.) we would be grateful if you could bring them to school for the children to use. Thank you As the weather begins to get brighter, please can they bring in their own sun cream. If you need to contact your child's teacher please email us at, sparnell@decoyschool.co.uk , esimpson@decoyschool.co.uk (Monday to Wednesday), hcammack@decoyschool.co.uk (Thursday and Friday)

What can you do at home?

Here are some optional ideas to support your child's learning at home.

- Read lots of different stories and talk about the characters. What do they look like? Do you like them? Why?
- Encourage any form of writing or phonics practice that your child can do.
- Test them on their number bonds to ten knowledge (numbers that add to 10)

In school next week, we will be making our fruit smoothies. For homework this week, we would like the children to design their own knickerbocker glory- they could include different ice cream flavours, Flakes, sprinkles, buttons etc. and write a list of instructions on how to make it. They could also draw a picture and label it with the different features as well (or instead of).

Please submit any completed homework to Tapestry. We look forward to seeing their frozen creations!
