

## **Next Week in Year 1**

### **Week Commencing: Monday 6th June 2022**

<b>Phonics and Spelling</b>	This week, we will be continuing to work in our phonics groups and refreshing our sound knowledge from last week. They will also be reading multisyllabic words and breaking them up to aid in reading.
<b>Maths</b>	We will be starting a new topic for 'Position and Direction'. They will be looking at moving through turns, as well as using language such as between, above, below, left and right to describe position and movement.

### **What can you do at home?**

Here are some optional ideas to support your child's learning at home.

- Read lots of different stories and talk about the characters. What do they look like? Do you like them? Why?
- Encourage any form of writing or phonics practice that your child can do.
- Test them on their number bonds to ten knowledge (numbers that add to 10)
