

## **Next Week in Year 1**

### **Week Commencing: Monday 20th June 2022**

<b>Literacy</b>	We will be continuing our book, 'Daisy Doodles' by Michelle Robinson. The children will looking at rhymes and patterns in the story in preparation for writing their own versions.
<b>Phonics and Spelling</b>	This week, we will be continuing to work in our phonics groups and refreshing our sound knowledge from last week. The children will be applying their phonics and reading skills, reading red 'tricky' words and recognising pseudo (nonsense) words as well. They will also be reading multisyllabic words and breaking them up to aid in reading.
<b>Maths</b>	We will be finishing looking at 'Place Value within 100'. They will be comparing numbers up to 100 and using a range of signs and pictures to represent and compare these numbers.
<b>Challenge Time</b>	The children will be looking at facts about Isambard Kingdom Brunel in history. In science, they will be starting a plant diary for the sunflowers that they are growing and they will also be practicing for Sports Day.
<b>Homework</b>	Please find the homework at the bottom of this sheet. Homework is due in on 22.6.22. Please take a picture or video of your child's homework and upload it onto Tapestry.
<b>Messages</b>	Could you please ensure that your child is bringing a coat to school each day. Please can you ensure that any reading and book bag books sent home are returned on a Friday. Please can all children bring their P.E kits in ready for Monday. If you have any junk modelling items (e.g. plastic bottles, cardboard boxes, washed-out yoghurt pots, etc.) we would be grateful if you could bring them to school for the children to use. Thank you As the weather begins to get brighter, please can they bring in their own sun cream. If you need to contact your child's teacher please email us at, <a href="mailto:sparnell@decoyschool.co.uk">sparnell@decoyschool.co.uk</a> , <a href="mailto:esimpson@decoyschool.co.uk">esimpson@decoyschool.co.uk</a> (Monday to Wednesday), <a href="mailto:hcammack@decoyschool.co.uk">hcammack@decoyschool.co.uk</a> (Thursday and Friday)

### **What can you do at home?**

Here are some optional ideas to support your child's learning at home.

- Read lots of different stories and talk about the characters. What do they look like? Do you like them? Why?
- Encourage any form of writing or phonics practice that your child can do.
- Test them on their number bonds to ten knowledge (numbers that add to 10)

In maths this week, we have started to look at partitioning numbers (breaking numbers into their tens and ones). We would like the children to pick three numbers between 11 and 100 to partition. Could they try drawing and recording the numbers as a part-whole model, in tens and in ones and then as a bar model if they can? If they can, they can also go past one hundred and break the numbers into hundreds, tens and ones.

We look forward to seeing their brilliant representations!
