

Next week in Year 2
wb Monday 26th September 2022

English	<p>We finish using our book 'Tell me a dragon' by Jackie Morris by writing our own dragon poems, including all the skills we have learnt.</p> <p>In phonics and reading we will continue in our new Read Write Inc (RWI) and Accelerated Reader (AR) groups.</p>
Maths	In Maths we continue to learn about place value. We will estimate numbers on a number line, compare objects and compare numbers.
Science	In Science we are exploring materials. Next week we are exploring the uses of different materials in our school grounds.
Foundation subjects	In Art, we are learning how Seurat used colours in his work. In RE we will give a simple description of what one of the 99 Names for Allah means. Geography looks at the continent of Africa and PSHE focuses on listen and contributing ideas. In computing we are using Scratch to understand how sprites pass messages to each other. Outdoor PE is traveling, indoor PE is composing and performing simple dances.
Message to Parents	<p>Thank you for your patience while we sorted the RWI books this week, we apologise to you for only having them for two evenings. Next week you will receive a new RWI book on Monday. Please read with your child every day, and record a brief comment in their reading record, we will check the records on Friday and children with three comments or more will receive a house point for their team.</p> <p>RWI books must be returned on a Friday, AR books can be returned when your child has finished them.</p> <p>If you need to contact us our emails are csinclair@decoy.co.uk, chodgson@decoyschool.co.uk and elidbury@decoyschool.co.uk</p>

Homework

We have ordered some homework books, but they have not yet been delivered. For the time being we will keep homework as practical/discussion based as possible.

- Science – look around your house, what different materials can you see? (Wood, metal, glass etc) Discuss why you think that particular material has been chosen for that object.
- Art – think about how George Seurat coloured his paintings (dots). Can you create your own piece of artwork in his style?

If you'd like to send in any photos of work completed, please send them to our email addresses (above) and we will share them with the class.

Enjoy your weekend everyone,
The Year 2 Team
