## **National Marine Aquarium Virtual Learning Experience - Wednesday 16<sup>th</sup> February**

Dear Parents/Carers,

This term, we are exploring the 'animals, including humans' objectives of the Year 2 Science Curriculum and exploring 'Seas and Oceans' in geography. To support this learning, we have arranged a virtual learning experience with the National Marine Aquarium, Plymouth, where we will have an interactive tour covering adaptation, classification, food chains, habitats and lifecycles.

This activity will take place within school hours. In order for the trip to go ahead, we would like to ask for a voluntary contribution of **£3.91 per child**. This covers the cost of the interactive tour and specialist School Officer. If your child is eligible for Pupil Premium, then we would request half of this amount (£1.95). Contributions can be made by cash or cheque (payable to Devon County Council) or online via ParentMail.

Please complete the reply slip below and return it to your child's Year 2 class teacher by **Wednesday 9<sup>th</sup> February 2022**.

Yours sincerely,

The Year 2 Team
