In RE, we are asking questions about Christmas for people who are not Christian (carried over from last week). PE continues to be circuit-based activities and balancing techniques, and in DT, we are testing and evaluating our models.

This week's homework:

- Music – your children have been learning the first verse and chorus of this song, <https://www.youtube.com/watch?v=jC3k8PHtU4A> perhaps they'd like to sing it to you?
- Handwriting – we are really encouraging the children to use their best handwriting at all times, please can they practice the attached words, thinking carefully about pencil grip and seating position.

Have a lovely weekend everyone, take care
