

## **Next week in Year 1**

### **Week Commencing: Monday 9th May 2022**

<b>Literacy</b>	We will be continuing our book, 'Bonkers about Beetroot', by Cath Jones. The children will be exploring alliteration and developing their ideas in preparation for our final write.
<b>Phonics and Spelling</b>	This week, we will be continuing to work in our phonics groups and refreshing our sound knowledge from last week. The children will be applying their phonics and reading skills, reading red 'tricky' words and recognising pseudo (nonsense) words as well. They will also be reading multisyllabic words and breaking them up to aid in reading.
<b>Maths</b>	The children will be finishing looking at Multiplication and Division. They will be grouping and sharing objects equally before completing their end task.
<b>Challenge Time</b>	The children will be making an upcycled flower in art. They will be thinking about different areas around the world and considering the climate and will think, talk and ask questions about living in an amazing world.
<b>Homework</b>	Please find the homework at the bottom of this sheet. Homework is due in on 11.5.22. Please take a picture or video of your child's homework and upload it onto Tapestry.
<b>Messages</b>	Could you please ensure that your child is bringing a coat to school each day. Please can you ensure that any reading and book bag books sent home are returned on a Friday. Please can all children bring their P.E kits in ready for Monday. If you have any junk modelling items (e.g. plastic bottles, cardboard boxes, washed-out yoghurt pots, etc.) we would be grateful if you could bring them to school for the children to use. Thank you As the weather begins to get brighter, please can they bring in their own sun cream. If you need to contact your child's teacher please email us at, <a href="mailto:sparnell@decoyschool.co.uk">sparnell@decoyschool.co.uk</a> , <a href="mailto:esimpson@decoyschool.co.uk">esimpson@decoyschool.co.uk</a> (Monday to Wednesday), <a href="mailto:hcammack@decoyschool.co.uk">hcammack@decoyschool.co.uk</a> (Thursday and Friday)

### **What can you do at home?**

Here are some optional ideas to support your child's learning at home.

- Read lots of different stories and talk about the characters. What do they look like? Do you like them? Why?
- Encourage any form of writing or phonics practice that your child can do.
- Test them on their number bonds to ten knowledge (numbers that add to 10)

For homework this week, we would like the children to sketch some flowers that commonly bloom in the summer: <https://www.gardenersworld.com/how-to-grow-plants/eight-plants-that-flower-all-summer/> They could choose to do this by using the pictures from the link provided or choose to do them in a vase or other container, similar to this video which they have used in school this week: <https://www.youtube.com/watch?v=jC0BV0WxJug>

We looked forward to seeing their estival artwork!
