## Charging & Remissions Policy

## **Introduction**

The purpose of this policy is to ensure that there is clarity over those items which the school provide free of charge and for those items where there may be a charge. This has been informed by the LA policy and the DfE guidance and complements the school's Teaching and Learning and Visits Policies.

## **Responsibilities**

The headteacher will ensure that staff are familiar with and correctly apply the policy.

It will be made available to all staff through the school intranet. Developments will be co-ordinated by the Senior Management Team.

The Business Management Committee will review the policy every year and present it for adoption by the Board of Governors.

## **Policy statement**

During the school day, all activities that are a necessary part of the National Curriculum, plus religious education will be provided free of charge. This includes any materials, equipment and transport to take pupils between the school and the activity. It excludes charges made for teaching an individual pupil or groups of up to four pupils to play a musical instrument. Unless the teaching is an essential part of either the National Curriculum or a public examination syllabus being followed by the pupils, we will make a charge.

Voluntary contributions may be sought for activities during the school day which entail additional costs, for example field trips and theatre groups.

In these circumstances no pupil will be prevented from participating because his/her parents cannot or will not make a contribution. If insufficient funds are available it may be necessary to curtail or cancel activities.

## **Definition**

The school day is defined as:

Morning session - 8.55am to 12.05pm

Afternoon session - 1.15pm to 3.30pm

The midday break does not form part of the school day.

## **Optional activities outside of the school day**

We may charge for optional, extra activities provided outside of the school day, for example, Watersports club. Such activities are not part of the National Curriculum or religious education nor are they part of an examination syllabus.

## **Education partly during the school day**

If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day.

Conversely, if the bigger proportion of time spent falls outside the normal school day, charges will be made. When such activities are arranged parents will be told how the charges were calculated.

### **Residentials**

Charges will be made for board and lodging, except for pupils whose parents are in receipt of eligible benefits.

Other charges will be made to cover costs when the number of school sessions missed by the pupils totals half or more of the number of half-days taken up by the activity. In such cases parents will be told how the charges were calculated.

### **Calculating charges**

When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating.

There will be no levy on those who can pay to support those who can't or won't. Support for cases of hardship will come through voluntary contributions and fundraising.

Parents/carers who would qualify for support are those who are in receipt of eligible benefits. Parents/carers will need to provide proof that they are eligible for benefits, unless they are in receipt of Free School Meals.

The principles of best value will be applied when planning activities that incur costs to the school and/or charges made to parents.

### **Music Tuition**

In cases of hardship the governors will consider in their absolute discretion the remission of fees (either in full or in part) for those pupils who they consider will benefit from such tuition.

### **Eligible benefits**

The following benefits will be regarded as eligible:

- Income Support
- Income-based Jobseeker's Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (providing that they do not also receive Working Tax Credit and have an annual income assessed by The Inland Revenue, that does not exceed the figure defined by Free School Meal provision.

[This figure will be kept under review by the Headteacher. ]
