

Next week in Year 2
w/b Monday 7th February 2022

English	<p>We start a brand new text next week, 'Penguins' by Emma Bone. We will be sharing the text and discussing the layout. We will also label the different features.</p> <p>We will continue in our RWI and Accelerated Reader groups next week and concentrate on some more Year 2 spelling rules.</p>
Maths	<p>We continue to learn about division next week. We will be dividing by 2, 5 and 10, as well as looking at odd and even numbers.</p>
Science	<p>In Science we continue with our 'Animals, including humans' topic. Next week we will be 'Working Scientifically' to see if there is a relationship between the size of our hands and the number of cubes we can pick up.</p>
Foundation subjects	<p>In RE, we are making connections. In Music, we will be listening to 'Johnny B.Goode' by Chuck Berry. In Art, we are finishing our pictures. In Geography, we are thinking about why oceans are important and how we can protect them from pollution. In PSHE, we have another group challenge and in Computing we are editing and enhancing our photographs. Indoor PE is dance, focusing on creating movements that show rhythm and control, outdoor PE is improving our own skipping techniques and observing others.</p>
Message to Parents	<p>Virtual aquarium experience – please can permission slips be returned by next Wednesday (9th). Thank you.</p> <p>If you need us, our emails are csinclair@decoyschool.co.uk, chodgson@decoyschool.co.uk and elidbury@decoyschool.co.uk</p>

This week's homework:

- Maths – we have looked at division this week. Can you have a go at the challenge cards? Perhaps you could write the division to match and create one or two of your own?
- Science – we have learnt about the lifecycles of different animals this term. Can you match the infants to the adults?

Enjoy your weekend everyone, see you on Monday!

The Year 2 Team
