

Next Week in Year 1

Week Commencing: Monday 11th July 2022

Literacy	The children will be looking at poetry and linking it to the book 'I love bugs' by Emma Dodd. They will be exploring using a range of writing techniques, including adjectives and alliteration.
Phonics and Spelling	This week, we will be continuing to work in our phonics groups and refreshing our sound knowledge from last week. The children will be applying their phonics and reading skills, reading red 'tricky' words and recognising pseudo (nonsense) words as well. They will also be reading multisyllabic words and breaking them up to aid in reading.
Maths	We will be starting our final topic of the year, 'time'. The children will be exploring how we measure time using calendars, diaries, days of the week, etc. and will also be learning to tell time to the hour and half past.
Challenge Time	The children will be completing a range of activities based around insects and bugs related to our poetry book. They will be hot-seating as Isambard Kingdom Brunel and will complete the next week of their sunflower diaries. The children will also be comparing rainfall from autumn to now.
Homework	Please find the homework at the bottom of this sheet. Homework is due in on 13.7.22. Please take a picture or video of your child's homework and upload it onto Tapestry.
Messages	Could you please ensure that your child is bringing a coat to school each day. Please can you ensure that any reading and book bag books sent home are returned on a Friday. Please can all children bring their P.E kits in ready for Monday. If you have any junk modelling items (e.g. plastic bottles, cardboard boxes, washed-out yoghurt pots, etc.) we would be grateful if you could bring them to school for the children to use. Thank you As the weather begins to get brighter, please can they bring in their own sun cream. If you need to contact your child's teacher please email us at, sparnell@decoyschool.co.uk , esimpson@decoyschool.co.uk (Monday to Wednesday), hcammack@decoyschool.co.uk (Thursday and Friday)

What can you do at home?

Here are some optional ideas to support your child's learning at home.

- Read lots of different stories and talk about the characters. What do they look like? Do you like them? Why?
- Encourage any form of writing or phonics practice that your child can do.
- Test them on their number bonds to ten knowledge (numbers that add to 10)

We would like the children to create a piece of writing related to their favourite creepy-crawly or insect. They could make a poster, a fact file or just a write with a nice picture to boot! Why is it their favourite and can they find at least two facts as well?

Please upload any completed work to Tapestry. We look forward to seeing their incredible insects!
