

Next week in Year 2
w/b Monday 22nd November 2021

English	<p>We will be continuing with our book 'Traction Man is here!' by Mini Grey. Next week we take our school toys on an adventure around the classroom, create a shared plan and then think up our very own stories.</p> <p>We continue in our Read Write Inc and Accelerated Reader groups. We will continue to practice our phonics sounds daily, ready for the Phonics screening assessment.</p>
Maths	<p>Next week we complete our work on addition and subtraction, ending with looking at bonds to 100 and adding three 1-digit numbers. Towards the end of the week we start our new topic 'money'.</p>
Science	<p>In Science we continue with 'Animals, including humans'. We will be conducting a practical investigation to look at the spread of germs.</p>
Foundation subjects	<p>In Design and Technology we will be designing our own moving vehicles. Music continues with the Charanga sequence, Ho, Ho, Ho. In RE we look at advent and wreath creation. PSHE looks at recognising what is right and wrong and in computing, we will be investigating the rules and algorithms in simple games. PE is circuit-based activities and balancing techniques.</p>
Message to Parents	<p>No messages this week!</p> <p>If you need us, our emails are csinclair@decoyschool.co.uk, chodgson@decoyschool.co.uk and elidbury@decoyschool.co.uk</p>

This week's homework:

- Phonics – your children have been working exceptionally hard on their phonics, they can practice some of their skill here at <https://www.phonicsplay.co.uk/> 'Buried Treasure,' 'Dragon's Den' and 'Picnic on Pluto' are some of the best blending games.
- Maths – as we begin to look at money next week, perhaps you'd like to have a look at some different coins and notes at home. See if your children can recognise the different coins, do they know their worth? Are they able to order them from smallest amount to greatest?

Thank you for a lovely week everyone, enjoy your weekend.

The Year 2 Team
